

Multani Mal Modi College, Patiala

Policy for Persons with Disabilities

Policy Objectives

- To provide the necessary infrastructure for differently-abled persons.
- To make access to higher education at the institution inclusive for differently-abled students.
- To provide barrier-free access for carrying out their activities without any hindrance.
- To encourage and support differently-abled persons to be self-dependent on their livelihood.

Policy

- To provide an environment that is supportive for disabled persons, the college authorities have decided to make all the buildings including labs and library to be accessible by differently-abled persons.
- To provide necessary infrastructure like wheel-chair, screen reader software, restrooms for the differently able persons.

Policy Implementation:

To provide a supportive environment for the differently-abled persons on the campus, the college has worked in some areas and for others, it is in process.

- Barrier-free washrooms
- Ramp at the entrance
