Editorial

With blessings of almighty we put forward Golden Jubilee issue of our Annual College Magazine 'The Luminary'. This Golden Jubilee edition is a milestone that marks our growth and is a piece of creativity, self-expression and freedom. In Sanskrit it is written that

विद्या ददाति विनयं, विनयाद् याति पात्रताम् ।

पात्रत्वाद् धनमाप्नोति, धनाद् धर्मं ततः सुखम् ॥

It means Knowledge makes you humble; humility gives you character; good character attracts wealth; wealth can be used for doing good deeds. This in turn leads to happiness in the world. So, this is a time for us to reflect, work on our shortcomings and humble ourselves for all our successes. Modi college has yet again succeeded in providing the students with a meticulously and carefully planned mix of academics and extra-curriculars. But none of these accomplishments and laurels would have turned into realistic goals without the constant encouragement and involvement from the college management. I express my gratitude to our beloved principal Dr. Khushvinder Kumar for his enduring trust in me. I hope this issue of the magazine will find a special place in the heart of the readers.
