**S. Parminder Singh Gill**

**Commissioner, Municipal Corporation, Patiala**

S. Parminder Singh Gill is the alumnus of Sanawar Public School and Govt. College Chandigarh. He has Joined Punjab Civil Services in 1991 and was promoted into IAS Cadre in 2013 with effect from 2006. He has served as Sub Divisional Magistrate Mohali and Chandigarh, Deputy Commissioner Excise & Taxation, Jalandhar Division as well as District Magistrate, Moga. His Initiatives as Deputy Commissioner Moga are worth calling here. Apart from restarting National Highway project from Ferozpur to Ludhiana, organizing function to celebrate 150th Anniversary of Lala Lajpat Rai, arranging Rupees 10 Crore Govt. Grants for laying Astroturf and to built Auditorium at Govt. Lajpat Rai College, Dhudike, he has undertaken important projects for social cause also; setting up of de-addiction centre and rehabilitations centre at Moga has contributed a lot in weaning away a large number of boys from the drugs.

Currently as Commissioner, Municipal Corporation Patiala, S. Parminder Singh Gill's Contribution cannot be over emphasized. Environment conscious commissioner has played pivotal role in starting the sewerage treatment plant at village Maen as well as shifting the dairies from the interior of the city to the outskirts. Similarly beautification of Rajindralake and measures to stop defacing of public places will be remembered for years to come by the people of Patiala.

We are honoured to have this dynamic administrator amongst us and his presence would undoubtedly be a source of inspiration for our students.

## About the College

Multani Mal Modi College is synonymous with academic excellence adorning the cultural city of Patiala. Located in the heart of the city, it is a multi-faculty, co-educational institution established by Padma Bhushan, Rai Bahadur Seth Gujjar Mal Modi, in the fond memory of his illustrious father, Rai Bahadur Seth Multani Mal Modi. The foundation stone of the college was laid by Dr Dharam Vir, ICS, the then Governor of Punjab, on September 21, 1966 and the first academic session commenced in July 1967.

The magnanimous and enlightened Managing Committee of the college is headed by its visionary Chairman Seth Sudarshan Kumar Modi, who is firmly committed to fulfilling the dreams and ideals of his illustrious grandfather. The college is about to complete 49 years, and during this period it has established itself as a leading Educational Institution with the student strength of about 4200. The old students of this college-Modiites - occupy positions of eminence in all walks of life which include academicians, doctors, engineers, administrators, scientists, sportspersons, soldiers, artists, social reformers and politicians. The college strives to fulfill its mission to provide educational opportunities to all the aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment.

Currently, the college offers degree courses in various streams like Humanities, Commerce, Science, Computer Science, Management and vocational courses in Software Development and Industrial Waste Treatment Technology, Post- Graduate courses in Chemistry, Information Technology, Biotechnology, Fashion Design and Technology, Pharmaceutical Chemistry, Commerce, Mathematics, Punjabi, Food & Nutrition, Post-Graduate Diplomas in Computer Applications and Dress Designing and Tailoring and Add on Courses in Spoken English, Mass Communication and Journalism and Computerized Accounting.

It is a matter of great pride that National Assessment and Accreditation Council (NAAC), Bangaluru, reaccredited our college with Grade 'A' (3.26 / 4.00 CGPA) in its 6th Round Meeting held on 1st May, 2015.

## Infrastructure

The college provides excellent infrastructural facilities with well-equipped laboratories, modern computer labs, spacious and well-furnished classrooms, seminar hall and library. In the past four decades the college has seen tremendous growth in its infrastructure. Through its state-of-the-art infrastructure, college facilitates innovative methods of instruction and learning keeping with the changing trends in education. Following are some of the initiatives taken in this direction.

- For meeting security requirements of the college, CCTV cameras have been installed in the whole campus.
- In order to provide high-class facilities for the research, new equipment including Electro Chemical Work Station, Visible Spectrophotometer, Trans Illuminator, Water Purification System and Refrigerator has been added to the Central Instrumentation Laboratory.
- A new Lab equipped with latest equipment has been established for the students of Food and Nutrition.
- In order to keep pace with time, partial wi-fi facility has been introduced in the college.
- For meeting parking requirements of faculty and students, a new parking shed has been constructed and renovation of existing shed is carried out.
- Storage capacity has been increased in Main Library by adding new almirahs and racks.
- A new washroom is constructed and upgradation has been carried out for the three existing washrooms.

## New Courses

As the world is advancing, so does the education field. In order to diversify the academic excellence, new courses have been started in the college which include M. A. (Punjabi), M. Sc. (Food & Nutrition), B. Sc. (CSM), beside increasing intake in the existing B. Com and B. Com (Hons.) courses. The College has also started two B.
