Chairman's Message

A deep sense of pride escalates through my heart to share with you that Mulatni Mal Modi College has been accredited by the National Assessment and Accreditation Council (NAAC) with 'A' Grade and 3.26 CGPA. Also, the conferment of the prestigious status of "College with Potential for Excellence" by UGC bears testimony to the quality of its professional competence. My heartfelt congratulations to the staff and students who have worked tirelessly to attain the acme of perfection.

The college, established in 1967, has become one of the most sought-after institutions of higher learning in the region. It has been our constant endeavour to mould the young minds into socially responsible and productive human resources serving the society and the country.

Today, education means not only mere acquiring knowledge, but also the acquisition of updated skills, building character and improving employability. Keeping these emerging trends in view, the institute offers a plethora of courses - traditional, vocational, modern and innovative to enable the students face the myriad challenges of competition and find suitable employment. I felicitate all Modiites who are working tirelessly to realize the common goal of taking the institution to new pinnacles of glory with their achievements in academics, sports and co-curricular activities.

I take this opportunity to welcome new entrants to this august institution of higher learning and congratulate them on becoming a part of the Modi College family. I hope that with right and positive approach they will move far on the road to success, recognition and a fulfilling career.

God bless...!

VISION & MISSION

TO BE A FORWARD LOOKING INSTITUTION WHICH PROVIDES QUALITY EDUCATION AT AFFORDABLE PRICE AND MAKE THE STUDENTS HUMANE AND CONSCIOUS OF CONTEMPORARY SOCIETAL CONCERNS.

OBJECTIVES

- To provide an environment where young minds are enthused to be creative and innovative.
- To provide level playing field for economically disadvantaged, socially neglected and differently abled students.
- To sensitise students to social, economic, cultural and environmental issues.
- To provide opportunities where latent talent of the students can bloom.
- To design programmes for training students to imbibe scientific, logical and critical thinking for encountering challenges.
- To facilitate skill building of the staff for smooth transition from teacher-centred model to student-centred model of education.
- To develop and sustain a caring and supportive climate for promoting individual and collective excellence.
- To build state-of-the-art infrastructure equipped with latest technology in order to enrich the teaching learning experience.
- To align the knowledge delivery system to shifting pedagogical paradigms.

Principal's Message

In the globally competitive world, education system needs to be reoriented regularly so that we can match strides with the emerging trends in educational arena. It should inculcate a sense of dynamism and provide an environment where students can participate in the vibrant social and intellectual life of the college. This is not an easy task because it requires state-of-the-art infrastructure as well as highly motivated and dedicated faculty. We are very fortunate in this respect because over the last four decades, we have been engaged in building and augmenting these two resources.

We understand that curriculum, as provided by the universities lays strong theoretical foundation for understanding the intricacies of the subject, but this leaves certain gaps in the preparation of the students to face the real world challenges. New initiatives are taken from time to time to provide good exposure to the students to have feel of the actual workplace environment.

Our students have diverse backgrounds and their mutual interaction becomes all the more fascinating and enabling. Different societies and clubs in the college provide opportunities to the students to exhibit their literary, creative and artistic skills.

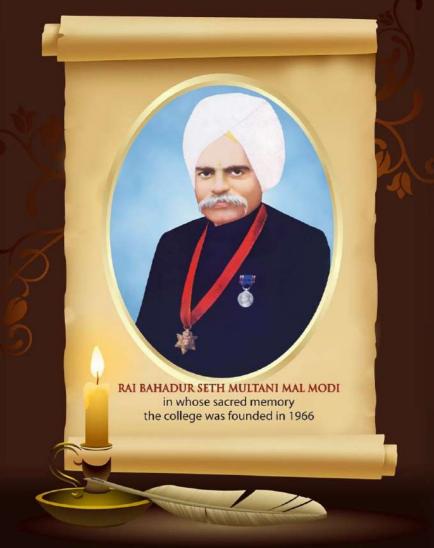

The college provides a congenial environment and excellent learning experience to its students by arranging seminars, conferences and workshops for improving their professional competencies. We also organize different programs for inculcating a value system which makes our students socially responsible and productive citizens.

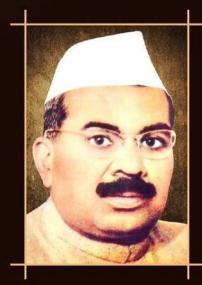

I congratulate and welcome you all to Multani Mal Modi College (NAAC accredited 'A' Grade with CGPA 3.26) and I am confident that your whole-hearted commitment to learning and sustained efforts will take you to new levels of wisdom, ultimately helping you to be good human-beings capable of serving the society.

Best Wishes...!

Students' Support Services

NATIONAL CADET CORPS (NCC) - Unity & Discipline

The National Cadet Corps is an organization aiming at the development of leadership, character, comradeship, spirit of sportsmanship and the ideal of service among the youth in educational institutions. Unity implies our basic oneness and Discipline is the very bedrock on which any growing nation is founded. The college has an NCC Coy. comprising of 55 cadets. The NCC Coy. for girls has 41 cadets on roll. Training to students (cadets) is given through drills, parades, camps and various outdoor activities under the guidance of NCC Officers.

NATIONAL SERVICE SCHEME (NSS) - Not me but You

Launched as a student youth service programme, in the Mahatma Gandhi Centenary year 1969 National Service Scheme (NSS) aims at arousing social consciousness of the youth with an overall objective of personality development of the student through community service.

Regular Activities:

Women Empowerment, Helping Social Welfare Institution Career Guidance, Blood Donation Camp, Projects on Environment, Tree Plantation, First-aid, Traffic Regulation, AIDS Awareness

Red Ribbon Express Club

Red Ribbon Express Club has been constituted in the college to spread the message on AIDS Awareness in their immediate environment. The relevant information, educational and communication material is demonstrated and disseminated to the college students.

Legal Aid Awareness Club

This club aims to make the students aware of their fundamental and legal rights. We take the support and services of eminent lawyers in conducting seminars which highlight the most commonly occurring legal problems in a student's life and solutions for the same.

Junior /Youth Red Cross

The college boasts of the 50 -member Junior / Youth Red Cross team involved in relevant activities.

CO-CURRICULAR ACTIVITIES

Co-curricular activities play a very significant role in developing the personality of the students. We provide opportunities to the students to participate in literary, cultural, theatre and fine arts activities. By participating in Youth Festivals and other competitions, the students add a new and meaningful dimension to their personality, thus fulfilling the desired purpose of education and learning.

The annual Talent Hunt Competition facilitates to pick out the talent amongst the young generation of enthusiastic students possessing an artistic bent of mind. The students compete in the areas of Oratory Skills, the varied forms of Music & Dance, and also venture into realms of Fine Arts & Theatre/Dramatics.

TRAINING AND PLACEMENT CELL

The college has a dynamic and a well established Training & Placement Cell. The training and placement cell looks after the useful and purposeful Career Guidance Programs (CGP), Soft Skills Programs, Personality Development Programs (PDP) and Project Guidance. After training programs, campus/off-campus interviews are arranged for eligible candidates. The T & P Cell continuously interacts with the renowned MNCs and reputed companies for creating more employment opportunities.

COLLEGE MAGAZINE-The Luminary

Annual publication of the college magazine The Luminary is a regular feature of our college. Not only does it provide an authentic and systematic record of the achievements and endeavours of the college in a lucid and attractive manner, but it also gives space and voice to certain deep-seated emotions, ideas, opinions and viewpoints of the students and the teachers.

FINISHING SCHOOL PROGRAMME

Finishing School Proramme is a new initiative. It is the modular programme developed by a group of teachers from various faculties. This programme is an exclusively in-house developed course which acts as a bridge between the college life and the professional life apart from enhancing the employability quotient of the outgoing students.

GENERAL STUDIES CIRCLE

This platform provides an opportunity to our young inquisitive minds to explore various genres of literature to get acquainted with the latest knowledge of wide variety of subjects. This enables them to sharpen their skills for performing better in their competitive exams as well as in their regular studies. The objective of this Circle is to let the students understand that gaining of knowledge and wisdom is an unending life-long process. These efforts, we hope, will promote reading habits among the students which in the present age of information and technology is vanishing at an alarming speed.

PHOTOGRAPHY CLUB

We, human beings, are always interested in recalling our happy moments. In fact, we always want to re-live those beautiful moments. Photography is a medium to capture our present with the intention to make it a part of our permanent memory. Our Photography Club provides a platform where our budding artists are trained to capture unforgettable moments in an artistic manner.

ECO CLUB

Though, Patiala is one of the best liveable cities with the lowest level of pollution, still we Patialvies are deeply concerned with the adverse effects of environmental changes. Deforestation is turning our beautiful forests into nude and ugly landmass. Intolerable level of emission of CO_2 by the industry, progressively increasing rate of growth of population and its immense burden on natural resources have led to global warming. As a consequence of this, our glaciers are melting and the sea level is rising, islands are submerging and increasing the pressure of population on coastal areas. Eco Club of our college keeps our students fully informed about these environmental changes and encourages them to act as eco-ambassadors.

HERITAGE SOCIETY

Patiala is a royal city and is popularly known as the cultural capital of Punjab. This city can boast of its beautiful Mughal and Rajasthani architecture, world renowned Patiala Gharana and Medal Gallery in Sheesh Mahal, its 18th century fort - Quila Mubarak - palaces and gardens. This city is also famous for Patiala Shahi Pagri, Patiala Salwar, Prandas, Nallas, Phulkari, Patiala Jutti and of course for Patiala-peg. Through this Society our endeavour is to make the young students aware of their rich heritage and draw inspiration to strive to reach those levels of perfection of their elders which made this city world famous. We want that our students should be proud of being Patialvies.

Women Cell

All female staff members and female students can approach this Cell for the early redressal of their grievances. It is constituted in such a manner that they can raise all gender issues without any inhibition and help the college administration in taking correct decisions without any delay. It ensures that all women and girls do not encounter any difficulty during their stay in the college.
