Professor Arvind

Vice-Chancellor, Punjabi University, Patiala

Professor Arvind is a well-known Theoretical Quantum Physicist with a keen interest in Science Education, Communication and Pedagogy in Punjabi. Professor Arvind is currently the Vice Chancellor of Punjabi University Patiala and is on deputation from IISER (Indian Institute of Science Education & Research) Mohali where he is a Professor of Physics. He did his M.Sc in Physics from IIT Kanpur and obtained his PhD in Theoretical Physics from the Department of Physics and Centre for Theoretical Studies, at the Indian Institute of Science, Bangalore in 1997. He then joined the Physics Department of Guru Nanak Dev University, Amritsar as a faculty member. From 2002 to 2004, he was a special faculty at the Physics Department of Carnegie Mellon University, Pittsburgh, USA. He joined the Physics Department of Indian Institute of Technology Madras as a faculty member in 2005. In August 2007 he moved to IISER Mohali as one of the founding faculty members and helped in setting up the institute. He has held several administrative positions at IISER Mohali, including Dean (Research), Dean (Students), Head Computer Centre, Coordinator Outreach, and Officiating Director. Professor Arvind has received the INSA medal for Young Scientists 2000. Professor Arvind is the National Coordinator of Theme-1 (Photonics) of the National Multi-Institutional Networked Programme on Quantum Enabled Science and Technology (QuST) which was launched by the Department of Science and Technology, New Delhi in 2018 with a total budget of around Rs 300 crores. He is also a member of the DPR drafting committee for the National Mission on Quantum Technologies and Applications (NMQTA).

He has over 70 publications in international journals and has supervised 7 PhD students and over 40 MS Theses. His current research interests encompass Quantum Information Theory and foundations of Quantum Mechanics. Professor Arvind is keenly involved in contributing to education, especially in the context of teaching of science in schools as well as universities. Through various platforms such as television panel discussions, newspaper articles, social media and seminars, Professor Arvind has been drawing attention towards the major problems in the education system of India. He was an expert on the panel discussion at the Indo-German Symposium on Science Communication titled 'Bringing Science to the People' in 2017 at NIPER Mohali. He has also been vocal about improvements in student-teacher ratio, pedagogical innovations, institutional policy in science education, better evaluation strategies, problems in recognizing merit and tapping talent, dwindling status of teachers in the community and broadening the notion of literacy and science education. We are really privileged to have such a towering personality among us today. We are sure sir, that your presence will motivate our students.

ABOUT THE COLLEGE

Multani Mal Modi College adorning the cultural city of Patiala is synonymous with academic excellence. Located in the heart of the city, Multani Mal Modi College is a multi-faculty, co-educational institute established by Padma Bhushan, Rai Bahadur Seth Gujjar Mal Modi, in the fond memory of his illustrious father, Rai Bahadur Seth Multani Mal Modi. The foundation stone of the college was laid by Dr Dharam Vir, ICS, the then Governor of Punjab, on September 21, 1966 and the first academic session commenced in July 1967.

The magnanimous and enlightened Managing Committee of the college is headed by its visionary Chairman, Seth Sudarshan Kumar Modi, who is firmly committed to fulfilling the dreams and ideals of his illustrious grandfather. The college has completed 55 years of its establishment, and during this period it has established itself as a leading Educational Institution with the student strength of around 4500. Alumni of this college- Modiites - occupy positions of eminence in all walks of life which include academicians, doctors, engineers, administrators, scientists, sports persons, soldiers, artists, social reformers and politicians. The college strives to fulfill its mission to provide educational opportunities to all the aspiring youth to excel in life by developing academic excellence, fostering values, creating civic responsibility and building global competencies in a dynamic environment.

Currently, the college offers degree courses in various streams Humanities, Commerce, Science, Computer Science, Management and vocational courses in Software Development and Pollution Control, Post- Graduate courses in Chemistry, Information Technology, Biotechnology, Fashion Design and Technology, Pharmaceutical Chemistry, Commerce, Mathematics, Punjabi, Food & Nutrition, Post-Graduate Diploma in Computer Applications and Dress Designing and Tailoring and Add on course in Spoken English, Mass Communication and Journalism and Computerized Accounting.

It is matter of pleasure and pride that the college got placed in top institutions in the commerce stream by the leading English newspaper 'The Tribune' in it's Education Special Edition on August 6. The Tribune 'Guide to Best Colleges' has also ranked the college among Top Colleges of Northern India. This recognition is another feather in the cap of achievements of this College.

INFRASTRUCTURE

The college provides excellent infrastructural facilities with well-equipped laboratories, modern computer labs, spacious and well-furnished classrooms, seminar hall and library. In the past five decades the college has seen tremendous growth in its infrastructure. Through its state-of-the-art infrastructure, college facilitates innovative methods of instruction and learning unkeeping with the changing trends in education. Some of the initiatives taken in this direction are:

- A Computer Lab has been established for the students of Commerce Department.
- A state-of-the-art PTE academic test centre has been established in the college.
- A Herbal garden dedicated to traditional medicinal heritage of India has been developed in the college.

ACHIEVEMENTS IN ACADEMICS

M.M. Modi College strives to maintain an equitable balance between academics and extracurricular activities among its students. The talented students and dedicated faculty at college have always played a special role in making Modi College a great institution. However, due to pandemic, no merit positions were declared by the university.

“Sport has the power to change the world. It has the power to inspire”, observed Nelson Mandela. Modi College continues to maintain its tradition of excellence in the field of sports and games. Our achievements are not only confined to the national level but have also made an indelible mark at the international level.
